Why Do You Vote?

"It is our basic right."

"To vote for people we trust to help us and will set the right rules for government."

"To have a say in how things are run."

Put a ✓ next to the times you've had a chance to vote:

I've had a chance to vote:

____ At a self-advocacy meeting

____ At a community group

____ In a government election

The reason voting is important to me is

_____

A **Primary Election** is when the Republican and Democratic political parties decide who will run as their candidate in the general election.

Primary elections are usually held in June in New Jersey.

- You can only vote in a primary election if you are registered as a **Republican** or a **Democrat**.
- If you are registered as an **Unaffiliated Voter (Independent)**, you can become a member of the **Republican** or **Democratic Party** to vote in the primary election.

A sample ballot tells you where your assigned polling place will be.

- Sometimes polling places are in schools, churches, or libraries.

- You have the right to have someone show you how to use the voting machine on Election Day.
- You have the right to ask for another kind of help if a poll worker cannot give you the help that you need.
- You may vote by saying your choice to an assistant. This is voting orally.
- You can ask for more time when you vote.

If your name does not appear on the registration list:

- You will be able to sign a special form (affidavit) claiming that you are registered.
- You will be given a provisional ballot.

A **provisional ballot** is a temporary ballot that you can use so you don't miss a chance to vote while the election officials are checking to see if you are registered.

- If the **poll worker asks you to see your ID and you do not have ID** with you, you will be able to vote with a **provisional ballot**. You will have 48 hours to show your ID at the county election office. At the polls, they will tell you which county election office to take your ID to.
