Dear Veteran:

A Middlesex County Veteran's Service card is available to all Middlesex County veterans who have been honorably discharged and have recorded their DD-214 in my office for safe keeping.

This is a small token of our appreciation in acknowledgement of service rendered to the United States of America and making possible for us to enjoy the freedom that we do.

This booklet contains names of businesses and companies that offer a discount to veterans with proof of military service. The list was obtained from <http://www.veteranprograms.com>.

Please check the website for current or discontinued listings.

I salute you!

Elaine M. Flynn,  
Middlesex County Clerk
