### BASIC RULES AND REGULATIONS

1. Operators shall display on their back a flying field permit issued by the Middlesex County Office of Parks and Recreation. Permit holders and clubs must provide proof of required insurance coverage.
2. Four (4) aircraft are allowed in the air at a time.
3. Flying times are limited to fifteen (15) minutes when someone is waiting to fly.
4. Engines shall not exceed a reading of 98db at nine (9) feet. Spot checks will be conducted by Middlesex County and any violation of this rule will subject the violators to the penalties prescribed in Rule 9.
5. All permit holders must be in compliance with Title 14 of the Code of Federal Regulations (CFR 14) part 107. Visual line of sight flying only and the established operating boundaries of the flying field must be observed.
6. Fixed wing engine powered aircraft are to have first priority— Helicopters and other sUAS may be flown only when fixed wing engine powered aircraft are not flown or there is no desire to fly same.
7. Flying period for fixed wing aircraft powered aircraft is 10:00AM to DUSK. Helicopters and other sUAS are allowed between 7:30AM and 10:00AM, or in accordance with Rule 6.
8. At all times observance of rules and regulations of the Middlesex County Office of Parks and Recreation, Academy of Model Aeronautics, CFR 14 Part 107 and flying clubs is mandatory.
9. Failure to observe rules and regulations will result in:  
     First Offense: Suspension of flying privileges for one (1) month.  
     Second Offense: Suspension of flying privileges for one (1) year.
