Chairman:

This Meeting of the Middlesex County Planning Board is being commenced pursuant to PL 1975 C 231 (N.J.S.A.10:4-6 et seq.). This meeting is being conducted as an audio conference call due to current conditions surrounding COVID-19. Requirements of all notices have been satisfied and this notice has been posted on the County website. The call-in number and conference ID # to participate has been made available to the public, along with a direct link posted to the County website that participants can access to join the meeting directly, and there will be an opportunity for public comment during this meeting. All participants should keep their devices on "mute" unless they are speaking to reduce the amount of audio feedback. Members of the public are asked to state their name and address and will have five minutes to speak. While the teleconference format of today's meeting is unique, we ask that we all maintain the same level of respect and decorum that we have in the regular meeting room by refraining from using profanity or raising our voices. Anyone that does not comply with this policy will be ruled out of order, and if I have to say that a second time you will be muted. Thank you for your patience and cooperation while we use this new format.
