

**TRANSPORTATION COMMITTEE REPORT  
MIDDLESEX COUNTY PLANNING BOARD  
Meeting of September 8, 2020  
Transportation Committee Report**

---

- **TCC Meeting of July 28.**
  - Held a virtual TCC on July on the Teams platform at which we hosted a special presentation by Robert Fernandez, Chief Operating Office of the NJ Infrastructure Bank. The NJ State Infrastructure Bank is an independent State Financing Authority responsible for providing and administering low interest rate loans to qualified municipalities for the purpose of financing transportation infrastructure projects involving improvements on roads, bridges, pedestrian walkways, bicycle paths. Eligible work includes engineering / design, construction and construction management.
  - The meeting also included County staff reports from the offices of Planning, Engineering, and Emergency Management; from Keep Middlesex Moving, and from the Middlesex County college representative. Reports were also made from NJ Transit, the North Jersey Transportation Planning Authority (NJTPA), Rutgers University, and Suburban Transit/Coach USA.
