

Please join us for an online presentation and discussion in our **Lunch 'n Learn with the Doctors** series:

**MANAGING THE COMMON SIDE EFFECTS OF CHEMOTHERAPY AND RADIATION**

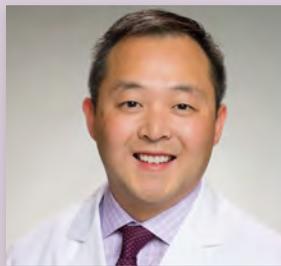

Friday, October 16, 2020  
12:00pm to 1:00pm

In this multidisciplinary talk conducted virtually, Drs. Jae Lee and Phillip Reid will conduct a comprehensive overview for managing common side effects of chemotherapy and radiation. Topics include:

- Nausea
- Mucositis
- Immune suppression
- Fatigue
- Neuropathy

To join us for this **Lunch 'n Learn with the Doctors** presentation, all you need is an Internet connection and a smartphone, tablet or computer. Go to [to ebpl.org/calendar](http://ebpl.org/calendar) to reserve your spot. Once you register, we'll send you the link and instructions for this presentation and discussion.
