

Middlesex County's Recycling and Solid Waste Guide

Highland Park Middle School Recycles!

MIDDLESEX COUNTY SOLID WASTE MANAGEMENT
732-745-4170

APRIL 2015

MIDDLESEX COUNTY SOLID WASTE MANAGEMENT
solidwaste@co.middlesex.nj.us

Dear County Residents:

Welcome to the 18th edition of Middlesex County's Solid Waste and Recycling Guide. I am pleased to present it to you as the Freeholder Chairperson for the Division of Solid Waste Management.

The County, through the Division of Solid Waste Management, continues to work closely with the Solid Waste Advisory Council, the Middlesex County Improvement Authority (MCIA), and the Middlesex County Utilities Authority (MCUA) to promote safe and sound solid waste and recycling practices for our citizens.

As you use this guide, please take advantage of the many County-sponsored recycling and solid waste programs and services available to you. If you have any questions, you may e-mail the Division of Solid Waste Management at solidwaste@co.middlesex.nj.us, call 732-745-4170, or visit our website at www.co.middlesex.nj.us.

It is my honor to represent and serve the citizens of Middlesex County on the Board of Chosen Freeholders.

Yours sincerely,
H. James Polos
Freeholder
Chairman, Public Safety and Health

On the cover: *Students of the Highland Park Middle School show their recycling spirit. Pictured are Freeholder H. James Polos with Principal Donna Malouf and students Linda Wang, Julia Woodward, Angela Polos, Sophia Polos, Cyrus Fabito, and Fabricio Alcantara. If your school is interested in receiving recycling bins, please contact the Division of Solid Waste Management at solidwaste@co.middlesex.nj.us or call 732-745-4170.*

Recycle!

- ◆ **EVERYONE MUST RECYCLE.** This includes single-family households, multifamily apartments, condos, industries, businesses, government, offices, construction sites, schools, colleges and universities.
- ◆ **EVERYONE MUST HAVE SEPARATE CONTAINERS FOR RECYCLABLES AND GARBAGE.** The only exception to this rule is if your business has applied for and received a recycling exemption from your municipality.
- ◆ **MAKE SURE THAT YOU PROPERLY SEPARATE YOUR RECYCLABLES AND DO NOT INCLUDE ITEMS IN THE RECYCLING BIN THAT ARE NOT RECYCLABLE.** When in doubt, contact your municipal recycling coordinator for the correct information. See Page 16 for phone numbers.
- ◆ If you are aware of anyone who is not recycling, or if you see a garbage hauler mix previously separated recyclables and garbage, please call the Middlesex County Division of Environmental Health at 732-745-8492. The Division conducts inspections of these locations and haulers to ensure that recycling requirements are being followed.

What am I required to recycle?

Residents (including residents of multifamily dwellings), and occupants of governmental, institutional (schools, colleges, universities), and commercial establishments (retail, restaurants, offices, warehouses, construction sites, etc.) must recycle the following mandated materials:

- Aluminum cans
- Glass bottles and jars
- Steel and tin cans
- Plastic milk, water, soda and laundry bottles (#1 & #2)
- Newspaper
- Corrugated cardboard
- Mixed paper (magazines, office paper, junk mail)
- Textiles
- Computers and televisions
- Rechargeable batteries
- Leaves
- Brush
- Motor oil
- Tires
- White goods (refrigerators, air conditioners, washers, dryers)
- Masonry/Paving materials

In addition, commercial establishments must recycle fluorescent bulbs and new construction sites must recycle clean wood scrap. Also, warehouses, retail, and supermarkets with 25 or more employees must recycle plastic film (stretch/shrink wrap and plastic bags).

RESIDENTIAL CURBSIDE RECYCLING COLLECTION PROGRAMS

Each municipality in Middlesex County has a curbside collection program for recyclables available to residents. For questions....

Residents of the following towns can call the Middlesex County Improvement Authority at 1-800-488-6242 or their local municipal recycling coordinator.

Cranbury	Middlesex	Piscataway	South River
Dunellen	Monroe	Plainsboro	Spotswood
Helmetta	New Brunswick	Sayreville	
Jamesburg	Old Bridge	South Amboy	

Residents of the following towns should call their local municipal recycling coordinator.

Carteret	Metuchen	South Brunswick
East Brunswick	Milltown	South Plainfield
Edison	North Brunswick	Woodbridge
Highland Park	Perth Amboy	

Municipal Recycling Coordinator phone numbers are listed on page 16.

EDUCATIONAL RESOURCES

The Division has a number of resources available FREE to schools and other civic groups including speakers and assembly/educational programs. Call 732-745-4170 or email us at solidwaste@co.middlesex.nj.us for more information.

Medication Disposal

According to the Food and Drug Administration (FDA), keeping medicines after they expire or are no longer needed creates an unnecessary health risk in the home, especially if children are present. You can safeguard your family and others by removing and disposing of unwanted or expired medications from the home.

Do not dispose of prescriptions and over the counter medications down the drain or toilet! Wastewater treatment facilities cannot remove harmful pharmaceutical compounds, and these may end up in your drinking water.

There are a number of collection days and permanent locations in New Jersey that accept unused medicines. Visit the following websites for more details:

www.disposemy meds.org

www.dea.gov

www.americanmedicinechest.com

www.njconsumeraffairs.gov/meddrop/locations.htm

If you cannot wait for a collection event or make it to a permanent collection location to dispose of your medications, please follow these 4 steps.

4 STEPS FOR PROPER DISPOSAL

1. Keep medicine in original container. Mark out personal information on prescription bottles.
2. Mix liquid medicine with undesirable substances like coffee grinds, cat litter, or dirt. Dilute pills with water, then add coffee grinds, cat litter, or dirt.
3. Place bottles in an opaque container, like a yogurt container, and secure lid; or wrap in a dark colored plastic bag.
4. Place the container in the trash. Do NOT recycle.

If you have Syringes, use the New Jersey Hospital Association's Safe Syringe Program. Contact the participating hospitals below for more details.

St. Peter's Univ. Hospital

Ask for Safe Syringe Program

BULKY WASTE DISPOSAL

If you have bulky waste that you need to dispose of.....

- Call your local public works department (phone numbers on page 16) to see if they offer the service you require.
- Check the phone directory under “garbage removal” to contract with a properly licensed hauler.
- See the list below of privately owned transfer stations that will allow drop-off of solid waste at their locations for a fee.

Note: The Middlesex County Landfill in East Brunswick is only open to licensed solid waste haulers and does not have the capability to handle waste deliveries from residential or other vehicles without valid NJDEP permits at this time.

PRIVATE TRANSFER STATIONS

A number of transfer stations in Middlesex County accept waste from personal vehicles or any person hauling their own waste in a vehicle weighing less than 9000 pounds for a single vehicle or 16,000 pounds combined weight for a vehicle pulling a trailer. You must deliver the waste and there will be a charge per load. Please call the facility first to determine the operating days and hours and the charge.

732-545-8988

Montecalvo Disposal Services
75 Crows Mill Road
Keasbey
732-738-6000

Note to licensed haulers: Middlesex County does not require all waste generated in the County to be disposed of at the Middlesex County Landfill, only that it must be disposed of at a licensed disposal facility. However, if waste is not disposed of at the Middlesex County Landfill, a tonnage report must be filed by the 20th of the subsequent month and the Solid Waste Management Services fee must be paid. Call the Division at 732-745-4170 or visit our website (see page 16) to obtain a hauler’s compliance package.

Elementary School Students Coloring Contest

Students in grades 3-5 are invited to design an anti-littering sign.

Submit an 8 1/2" by 11" design - with a picture and slogan - and your entry may be chosen to be used for one of our promotional items!

Designs must be submitted by May 1st.

See the website for more details.

Middle School - Essay Contest

Middlesex County is sponsoring an Environmental Essay Contest. Students in grades 6-8 from both public and private schools throughout Middlesex County are invited to participate. Nine winners will be chosen, three from each grade. This year there will be a different topic for each grade level. Below are the topics:

Sixth grade: How can we prevent nonpoint source pollution from entering our storm drains?

Seventh grade: New Jersey has struggled in recent years to reach our mandated recycling goals. What new material do you think we should start recycling in order to reach the goals?

Eighth grade: What should New Jersey do in order to reduce the amount of food waste being disposed of?

All entries are due by May 1st and will be judged by the Division of Solid Waste Management & Environmental Health Staff. More details can be found on the Division's website (see page 16).

Clean Communities Program

The New Jersey Clean Communities Council was formed to implement a statewide program of public information and education that will change the attitudes that cause littering and the irresponsible handling of solid waste. The Council invites you to visit its website at www.njclean.org to learn about the many programs they sponsor including the Adopt-a-Beach, Slam Dunk the Junk, and Adopt-a-Highway programs.

The New Jersey Clean Communities Program takes a three-pronged approach to solving the litter problem: Cleanups, Education, and Enforcement. Counties and municipalities receive grants each year to implement an anti-litter campaign. Middlesex County participates in this program by utilizing our funds for our highly successful program for the cleanup of roads, parks, and other public places by utilizing the services of a supervised work detail from the County's Adult Corrections Center.

For more information on the County's cleanup programs, contact the Division at 732-745-4170. To participate in a local cleanup, contact your municipal coordinator (see page 16 for municipal phone numbers).

CLIP & SAVE RECYCLING PROGRAM SCHEDULE

1st Wednesday of the Month:

-Compost Bin Sale

1st Saturday of the Month:

-Paint @ Middlesex and East Brunswick

2nd Friday of the Month:

-Paper Shred (April, May, July, September ONLY)

2nd Saturday of the Month

-Paper Shred (April- November)

-Paint @ Dunellen, New Brunswick, Old Bridge

3rd Sunday of the Month:

-Household Hazardous Waste
(July & November ONLY)

3rd Wednesday of the Month:

-Compost Bin Sale

3rd Saturday of the Month:

-Household Hazardous Waste
(May & September ONLY)

-Paint @ Helmetta and South Plainfield

4th Saturday of the Month:

-Paper Shred (July & September only)
-Paint @ Woodbridge and South Brunswick

To check locations for these events
email solidwaste@co.middlesex.nj.us
or call 732-745-4170.

Tire Recycling Drop-off Program

Middlesex County residents (**NO BUSINESSES***) can recycle FREE OF CHARGE up to **four** tires/month with or without rims by bringing them to one of five locations located in the County. Automobile and light truck tires only — no oversized tires.

EAST BRUNSWICK RECLAMATION CENTER

357 Dunhams Corner Road

Monday – Saturday 8:00 a.m. – 4:00 p.m.

METUCHEN RECYCLING CENTER

44 Jersey Avenue

Monday - Friday 8:00 a.m. – 2:30 p.m.

Saturday 8:00 a.m. – 1:00 p.m.

PLAINSBORO CONSERVATION RECYCLING CENTER

Off Grovers Mill Road

April 1st – December 15th December 16th – March 31st

Monday 5:30 p.m. – 7:30 p.m. Saturday 10:00 a.m. – 2:00 p.m.

Thursday 5:30 p.m. – 7:30 p.m.

Saturday 10:00 a.m. – 5:00 p.m.

SAYREVILLE RECYCLING CENTER—FORT GRUMPY

3775 Bordentown Avenue

Monday & Friday 7:30 a.m. - 2:30 p.m.

1st & 3rd Saturdays 7:00 a.m. - 12:00 noon

WOODBIDGE RECYCLING CENTER

225 Smith Street, Keasbey (beneath Parkway & Rt. 9 Bridges)

Monday – Saturday 8:00 a.m. - 4:00 p.m.

* Businesses - see page 11 for recycling options

Paint Drop-off Program

Monthly Weekend Cycle	Northern Locations	Southern Locations
1st Saturday	Middlesex Recycling Drop-off Center 1200 Mountain Ave.	East Brunswick Reclamation Center 357 Dunhams Corner Rd.
2nd Saturday	Dunellen Public Works Yard 235 Hall Street	New Brunswick DPW Yard 400 Jersey Ave. <hr/> Old Bridge Public Works Yard Route 516
3rd Saturday	South Plainfield Recycling Drop-off Center Kenneth Ave.	Helmetta Behind Municipal Bldg. 51 Main Street
4th Saturday	Woodbridge (Keasbey) Public Works Yard 225 Smith Street	South Brunswick Recycling Center (behind Municipal Bldg.) Kingston Ln./ Rt. 522

RULES

ALL SITES ARE OPEN FROM 8 AM—12 NOON Free of Charge

Middlesex County Residents Only (proof of residency required)

Note: Other services at these drop-off sites are for township residents only.

Acceptable Items:

Paints, and Paint Related Items (Latex, Water, and Oil Based Paints, Stains, Varnishes, Lacquers, Thinners, Paint Aerosols). Items must be labeled.

- **No Household Hazardous Waste**
- **No Empty Containers** (they can be thrown out in the regular trash)
- **No Commercially Generated Paint** (see page 11)

Closed holidays and some holiday weekends—call 732-745-4170 for information.

Residential Paper Shred Program

Recycle your residentially (no businesses) generated old documents and confidential files* safely and securely! Come to our mobile **paper shredding** events.

2015 Events:

4/10/15 (Friday)	Monroe - Thompson Park	8/8/15	Cranbury School
4/11/15	Metuchen - Edgar School	9/11/15 (Friday)	Monroe - Thompson Park
5/8/15 (Friday)	Highland Park Senior Center	9/12/15	North Brunswick - Babbage Park
5/9/15	Sayreville Senior Center	9/26/15	South Plainfield PAL Building/Rec. Center
6/13/15	Spotswood Municipal Building	10/10/15	Milltown - American Legion Post 25
7/10/15 (Friday)	New Brunswick High School	11/14/15	Piscataway Senior Center
7/11/15	Edison Municipal Building		
7/25/15	Woodbridge Department of Public Works		

All Paper Shred events run from 9am - 12 noon or until the truck is full, whichever occurs first. Residents may bring a maximum of 5 file boxes or up to 100 pounds (in a manageable container - no plastic bags) to each event. See page 10 for location addresses and visit our website (see page 16) for directions.

* No magazines, newspaper inserts or telephone books—please recycle those with your mixed paper.

Middlesex County residents only.

Household Hazardous Waste Drop-off Program (HHW)

2015 Schedule

LOCATION (for location information, see page 10)	DATE
Middlesex County Highways Division	Saturday, May 16
Old Bridge Public Works	Sunday, July 19
Woodbridge Public Works	Saturday, September 19
Middlesex County College (Edison)	Sunday, November 15

RULES:

- FREE OF CHARGE!
- ALL DROP-OFF TIMES ARE 8:00 A.M.– 2:00 P.M.
- Proof of Middlesex County Residency Required
- RESIDENTIAL WASTE ONLY (No Waste From Commercial or Industrial Sources)

What to Bring:

Aerosol Cans - Lighter Fluid - Antifreeze - Gas/Oil Mix - Household Batteries (No Alkaline Batteries) - Car Batteries - Pesticides/Herbicides - Gasoline - Latex Paints - Photographic Chemicals - Pool Chemicals - Propane Tanks - Oil Based Paint - Drain Cleaners - Thermometers - Paint Thinners - Driveway Sealer - Used Motor Oil - Mercury Containing Items - Thermostats - Stains - Varnishes - Fluorescent Light Bulbs (No Broken Bulbs, Please)

What Not to Bring:

- Tires - Explosives, Flares and Munitions - Medical/Infectious Waste - Unknowns - Empty Containers - Electronics - Appliances/Furniture - Containers over 10 gallons - Alkaline Batteries
- RESIDENTS BRINGING ASBESTOS CONTAINING MATERIAL **MUST PRE-REGISTER** BY CALLING 732-745-4170.

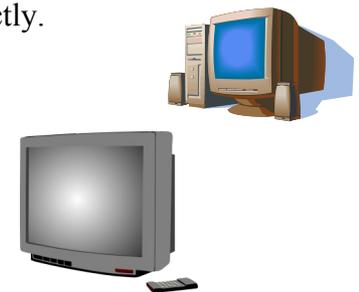

Electronics (E-waste) Recycling

Proper recycling of consumer electronics such as televisions and computers eliminates the improper dumping of such items in our parks and Open Spaces.

The NJDEP has provided a list of drop off locations at several electronics retailers. Please visit www.nj.gov/dep/dshw/ewaste/index.html or call 866-DEP-KNOW to find a location nearest you. Please call the retailer ahead to confirm this service is ongoing and applicable. In addition, your municipality may offer a program and you should contact them directly.

Please remember that recycling of computers and televisions is required by State Law.

Thank you for your cooperation to help keep Middlesex County clean and green.

EVENT/PROGRAM LOCATIONS

- Cranbury, Cranbury School - 23 North Main Street (PAPER SHRED)
- Dunellen, Department of Public Works - 235 Hall Street 08812 (PAINT DROP-OFF SITE)

- Spotswood, Municipal Building Parking Lot - 77 Summerhill Road 08884 (PAPER SHRED)
- Woodbridge, Department of Public Works - 225 Smith St., Keasbey 08832 (PAINT, PAPER SHRED, TIRE, HHW SITE)

Call (732-745-4170) or visit the Division's website for directions and program information.

Batteries

- **Alkaline Batteries fall below Federal and State hazardous waste standards and can be disposed of in the regular trash.** Alkaline batteries include AA, AAA, C, D and 9-V and will have the word "ALKALINE" imprinted on the battery.
- **Batteries from vehicles contain lead and should be recycled.**
- **Rechargeables must still be recycled. Button Cell Batteries should still be separated for proper disposal.**

Rechargeable batteries can be found in cordless power tools, cellular and cordless phones, laptop computers, digital cameras, two-way radios, camcorders, and remote control toys. Rechargeable batteries can be recycled through the national Call2Recycle program. To find a retail collection site use the collection site locator at www.call2recycle.org or call the consumer help-line, 1-877-273-2925.

Middlesex County will accept vehicle, rechargeable and button cell batteries at our household hazardous waste (HHW) days. Federal regulations require that you must individually bag each rechargeable & button cell battery or tape each terminal end prior to recycling.

Attention Businesses:

All businesses in Middlesex County **must recycle** the following items:

- Aluminum cans
- Glass bottles and jars
- Steel and tin cans
- Plastic milk, water, soda and laundry bottles (#1 & #2)
- Newspaper
- Corrugated cardboard
- Mixed paper (magazines, office paper, junk mail)
- Textiles
- Computers and televisions
- Rechargeable batteries
- Leaves
- Brush
- Motor oil
- Tires
- White goods (refrigerators, air conditioners, washers, dryers)
- Masonry/Paving materials
- Fluorescent bulbs
- Clean wood scrap (new construction sites)
- Plastic film/stretch/shrink wrap/plastic bags (warehouses, retail, and supermarkets with 25 or more employees)

In many cases, businesses will need to contract out with their own hauler to handle their recyclables.

The Division of Solid Waste Management has prepared a Markets Directory listing businesses that provide recycling services. There are over 30 different items in the directory. Visit the Division's website listed on page 16 or call 732-745-4170 for a free copy.

Note: **EVERYONE MUST HAVE SEPARATE CONTAINERS FOR RECYCLABLES AND GARBAGE.** The only exception to this rule is if your business has applied for and received a recycling exemption from your municipality. Businesses are also required to provide an annual recycling tonnage report to their municipal recycling coordinator.

Attention Schools:

All schools must recycle newspaper, mixed paper, and cardboard, and also aluminum, glass, steel and plastic bottles and cans! At a minimum, there should be bins for recycling paper in every class and a bin for bottles and cans in the cafeteria, lunchroom, or other appropriate locations. In addition, if generated, schools must recycle motor oil, leaves, brush, masonry/paving materials, rechargeable batteries, textiles, tires, white goods, electronics, and fluorescent bulbs.

Also, all schools must provide written notice to all students, teachers, and other staff on the recycling requirements at the beginning of each new school year.

If you need assistance in setting up a recycling program at your school, you may call your municipal recycling coordinator (phone numbers on page 16), or the Division at 732-745-4170.

In addition, the Division has limited quantities of recycling bins available on a first come - first served basis. Call the Division at 732-745-4170 if you are interested in obtaining free recycling bins.

Remember, Recycling is not an option. It's the Law!

New Jersey WasteWise Business Network

WasteWise is a free, voluntary program established by the United States Environmental Protection Agency to promote waste reduction (also known as source reduction), recycling and recycled product procurement.

The New Jersey WasteWise Business Network is an organization devoted to spreading the WasteWise message to businesses, local governments, and other organizations in New Jersey. Visit the following websites to learn how to get involved with the Network:

www.nj.gov/dep/dshw/recycling/wastewise/brbn03.htm
www.anjr.com/njwastewise/new-jersey-wastewise.html

Backyard Composting

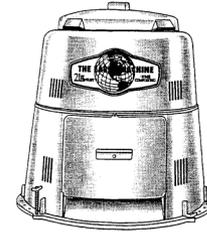

Help the environment while creating a wonderful nutrient for your soil!

\$40.00

Soil Saver
32" high X 28" wide X 28" long

Middlesex County residents can buy
Compost Bins the first and third
Wednesdays of each month year-round.

\$40.00

Earth Machine
32" high X 32" wide at base

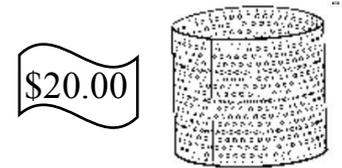

**11am - 2pm, 55 Edgeboro Road,
East Brunswick 08816**

Free kitchen pail and composting guide included.
Call the Division at 732-745-4170 for more information.

\$50.00

Vermicomposter
for indoor use

\$20.00

Geobin
30" high X 36" wide at base

To learn more about Composting, come to one of our FREE workshops:

Sign up now! Space is limited and pre-registration is required.

Backyard Composting
Saturday, April 11, 2015
10 am

Vermi(worm)composting
Wednesday, April 15, 2015
6:30 pm

Both workshops will be held at
the Rutgers Cooperative Extension
Service's EARTH Center in
Davidson's Mill Pond Park, 42 Riva
Avenue, South Brunswick (use North
Brunswick, 08902 for GPS directions)

Workshops will run approx. 2 hours.

Fall workshops: October 17
(backyard), October 21 (vermi)

CUT IT & LEAVE IT!

“The Greener Choice”

Grasscycling: Don't bag your grass clippings.

Grasscycle For a Healthy Lawn

Lawn experts at Rutgers University and other research centers have found that:

- Short grass clippings left on your lawn act as a natural fertilizer, producing a healthier lawn that greens earlier in the spring and stays green later into the fall.
- The grass clippings shelter the tender grass roots from the sun and conserve moisture.
- Grass clippings help to create a thicker, healthier lawn that is more resistant to weeds and certain lawn diseases.
- Grasscycling does not cause thatch. Short grass clippings decompose within a few days.

Grasscycling Saves....

Your Time. Experts say we spend as much as 35% of our mowing time getting rid of the clippings: emptying the mower bag, raking, filling the lawn waste bags and dragging them to the curb.

Your Money. You need to water and fertilize your lawn far less frequently, because the clippings conserve moisture and act as a natural fertilizer. They add almost two pounds of valuable nitrogen to every 1,000 square feet of lawn. You will also buy fewer lawn waste bags.

Your Town's Money. An average lawn creates about one ton of clippings each year. Municipal costs for the collection and disposal or recycling of grass clippings run about \$100 per ton.

5 Tips For A Great Looking Lawn

1. Any lawn mower will work, but a mulching mower (or a conventional mower with a mulching attachment) will produce the best results.
2. Mow high. Remove only the top 1/3 of the grass blade. You may mow a little more frequently, but your overall lawn care time will decrease.
3. Keep your mower blade sharp. Dull blades tear the grass. This produces ragged, brown edges that invite lawn disease.
4. Water in the morning to a depth of one inch. Shallow watering leaves your lawn susceptible to drought stress, disease and insect problems.
5. Don't over-fertilize. Grasscycled lawns need fertilizer only once or twice per year.

Great Recycling Resources

Here are some great sources to help you Reduce and Reuse:

- ◆ The **Reuse Marketplace** is a free regional network to find, sell, trade, or give away reusable and surplus items that would otherwise be disposed as trash. It is open to businesses, institutions, governments, and organizations in New Jersey and some surrounding states. Visit their website at www.reusemarketplace.org/.
- ◆ Go to www.freecycle.org and visit the **Middlesex group**. The **Freecycle Network** is a grassroots movement open to all communities including non-profit organizations and to all individuals who want to participate. When you want to find a new home for something - whether it's a chair, a fax machine, piano, or an old door - you simply send an e-mail offering it to members of your local Freecycle group. Everything posted must be free, legal, and appropriate for all ages.
- ◆ Visit www.dmchoice.org to help manage the amount of unwanted mail and catalogs you receive.
- ◆ Visit www.yellowpagesoptout.com/ to opt out of receiving the yellow pages.
