July 30, 2020

Please join Middlesex Prosecutor Yolanda Ciccone, in partnership with the **NAACP**, **NOBLE**, and **NCLO** for a virtual *Community Listening Session on the Use of Force*.

For the first time in 20 years, the New Jersey Attorney General's Office plans to update the State's Use of Force Policy. The Middlesex County Prosecutor's Office is hosting a virtual town hall to collect ideas and hear what changes you feel are necessary to make the policy just and fair for all New Jersey residents and visitors. We will have a panel of subject experts who will be answering your questions. The event will be livestreamed directly to the internet via the link below.
